NRSC April Monthly Report

Dear Ms. McBride:

In response to your letter of October 18, 1995, we are providing the following information:

- Attached are copies of two solicitations sent to contributors by the NRSC in this cycle. In compliance with 11 CFR 104.7(b), these and all of our solicitations include the statement:

"Federal law requires political committees to report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year."

Amendments to Line 11(a)(1) of the April monthly report were filed with our May, June, July, August and September reports based on responses to our second request for information. A copy of one of our "best efforts" request letters is also attached.

The NRSC continues to comply with the requirements of 11 CFR 104.7(b).

- The discrepancies concerning unitized contributions were caused by a one-time conversion tape issue which we have now resolved with our vendor. The NRSC's best efforts amendments incorrectly included in several contributors' year-to-date totals contributions that they made outside the reporting period of the amendment but before the tape was run to create the amendment. The total of the original Line 11a(i) is correct and does not need to be amended.
- The NRSC has amended Line 29 of the April 1995 report (3/1/95-3/31/95) to clarify a \$1,500.00 transfer from the federal to the non-federal account. A \$1,500.00 contribution from the National Committee to Preserve Social Security and Medicare distributed by the 1995 Republican Senate House Dinner Committee to the NRSC was, in the aggregate, in excess of the allowable federal contributions and was, therefore, transferred to the non-federal account.

Sincerely,

Maureen Goodyear
